Dear Rabbi Netter:

I recently became aware that you have been named Spiritual Leader at Temple Beth Tzedek. Your willingness to serve your community in such an important way is a generous gift to every member of our society.

Regrettably, I will not be able to attend the reception in your honor on Sunday, October 18, but please know that I stand ready to be of assistance to you in any effort you think meaningful.

Congratulations again on accepting this distinguished position of leadership and best wishes for continued success in all of your endeavors.

Sincerely,

JIM HAYES
